

Excel

2006 Catalog

Making our friends feel at home for forty years.

Excel

Forty years of excellence.

When you want superior quality, excellent craftsmanship, and careful, intelligent extras that make you feel at home, come to Excel.

We've manufactured top-quality fifth wheels for four decades, and our exceptional attention to detail and deep commitment to outstanding customer service has never wavered. Choose from our excellent selection of models and floorplans, and our extensive list of attractive options, to create a home that lives up to your own discerning standards.

Dine in cozy comfort at the optional dining booth with additional under-seat storage.

Regardless of the floorplan you choose, kitchens are fully equipped with high-output three-burner stoves, fluorescent task lighting and oak framed doors with raised panels.

Excel RT

Boldly go where no fifth wheel has gone before! Our RT series is the toughest in the RV Trekking category, so you can take the back roads, the side roads and the rough roads with confidence. The rugged exterior, heavy-duty chassis and extra-sturdy interior make this fifth wheel a natural for off-the-beaten-path adventures. And you don't have to sacrifice a bit of comfort: with the RT's extra insulation and cozy furnishings, you'll feel right at home in the middle of nowhere.

Roughing it in style.

The 28TRW with its extra-large crank-out windows is one of three spacious and attractive Excel RT floorplans.

Invite family and guests to spend the night! Our "Magic Store" sofas fold out for additional sleeping options.

In the bedroom, you'll find sturdy yet comfortable features like designer bedspreads with matching curtains, abundant storage, and a special cabinet for your optional 13 inch TV.

STANDARD FEATURES

Excel CLASSIC

Expand your horizons with an Excel Classic! Classic models feature big, bright windows, mirrored closet doors, flat floor slide-outs and high ceilings for a warm, spacious feeling. Ingenious space-savers, like the slide-out pantry and Magic Store sofa, give you even more storage. Every Excel Classic features rich berber-style carpeting, dual sofa incliners, and a 27" TV with DVD and Digital Surround Sound.

Designer fabrics and rich wood furnishings, along with exciting options like our satellite TV systems and quad-door refrigerator, make the Excel Classic the gold standard in fifth wheel style.

Surround yourself with comfort.

New bathroom layouts give you more space, more comfort and more style.

Sleep in style in a sleekly designed slide-out bedroom with sumptuous bedding, mirrored closet doors, optional pillow-top mattress and a lift-up bed for additional storage.

Excel

CLASSIC

Choose the optional tub/shower combination (available in enclosed bath floorplans only) designed to make you feel right at home with quality fixtures and intelligent design.

Bedroom amenities include vanities, built-in hampers, twin nightstands with storage underneath and room for a 13 inch TV.

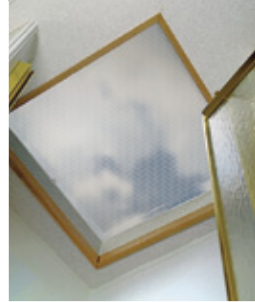

Excel CLASSIC STANDARD FEATURES

Plan meals and shopping lists at the handy kitchen desk. Flip up the peninsula countertop to add workspace for more convenient preparation.

The 30SKW features both a slide-out kitchen and slide-out living room for wide open living space. Sit back in your twin recliners and enjoy!

Shower Skylight

Over 1½ tons of payload capacity

Deep, roomy drawers

Exterior lawnchair storage (most models)

Gel-coated access doors are a full 1-3/8" thick

Slide out pantry (most units)

Black window frames are sleek, stylish and standard.

Satin nickel faucet

- Flush Floor Slide Rooms with Independent 12v Motors and Manual Override
- Oil filled slide-out gearboxes
- Queen Innerspring Mattress with Comforter, Pillows and Shams

- Dark Tinted Windows

Excel LIMITED

Cook up a sumptuous meal in your island kitchen. Relax in front of the fireplace on a leather recliner in your private den, watch your favorite show on an optional 32" LCD TV. Then have a nice hot bath, and sleep the night away in your full sized queen or optional king bed. You can do it all in your Excel Limited, the gold standard in fifth wheel luxury.

We've lavished extra attention on all the details of the Excel Limited. You'll be surrounded in elegance, with tasteful furnishings and stylish fabrics. And the Limited's beauty isn't just skin deep: our new Toughstone composite countertops and residential laminate flooring are quality through and through.

Relax in elegance and luxury.

Sit back and sink in: our optional theater group boasts oh-so-comfortable electric flexsteel recliners, complete with drink holders in a convenient center console. A clever corner desk is a standard feature in many models.

Floorplan 36BDO

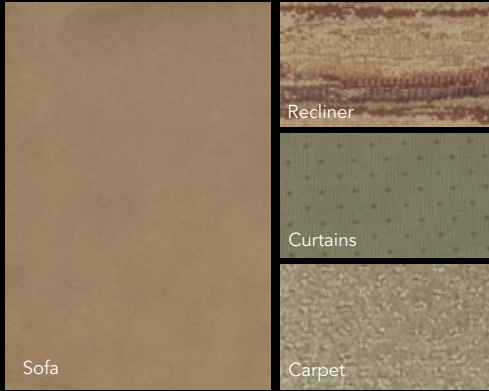

Your Excel comes standard with warm oak cabinetry or choose to upgrade to our new beautiful, rich maple with a Brazilian cherry finish. Both feature elegant satin nickel hardware.

New Toughstone composite countertops are as pretty as they are practical and flush sink covers give you added workspace.

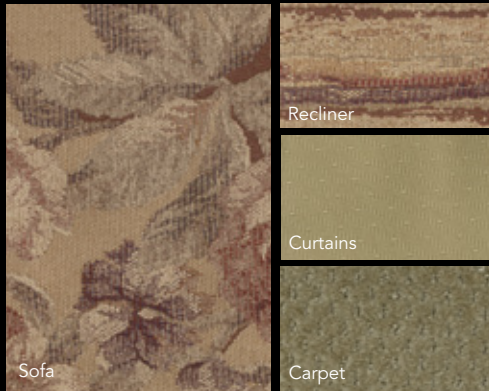

Surround yourself with sleek spa style in the beautiful new granite-look shower and coordinating sink.

LIMITED STANDARD FEATURES

The Excel Limited Edition includes all the standard features of the Excel Classic listed on page 7 with the following additions:

- Residential Laminate Flooring in Bathroom, Kitchen and Entry Area
- Window Treatment: Contour Padded Valances with Curtains/Duplex Shades
- "Walk Anywhere" Molded Gel-Coated Fiberglass Roof
- Louvered Oak Closet Doors
- Pillowtop Mattress
- Toughstone Composite Countertops
- 27" Flat Screen TV with DVD and Digital Surround Sound
- Recessed Fluorescent Lighting
- China Toilet with Bowl Sprayer
- Built-in Molded Sink with Solid Surface Flush Covers
- Granite-Look Toughstone Molded Lavatory
- Solid Oak Dinette Table with Pedestal Base or Round Table with Hidden Leaf (some models)
- Solid Oak Cabinetry
- Recessed Range Cover with Solid Surface Flush Top
- Oak Faced Slide-Out Flange with Crown Molding
- Aluminum Alloy Wheels
- LED Tail Lights

Long-lasting and ultra-bright LED tail lights are easier to see and are virtually maintenance free.

Solid surface flush mount range cover cleverly increases your work space.

New 27" flat screen TVs give you maximum entertainment in a minimum of space.

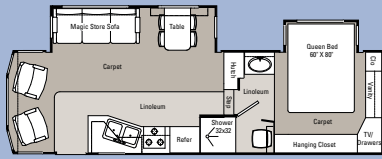

There's quality underfoot! We feature Residential Laminate Flooring.

*Standard on 36' units

Our sumptuous pillow-top mattress comes standard in the Limited, and is a luxurious option in the Classic.

Your guests will sleep in comfort on the cozy air mattress hide-a-bed in our Mainstreet Sofa.

Using the remote control of the Atwood® Electric Leveling System, you can easily adjust and control front-to-back and side-to-side leveling.

The information printed in this brochure reflects product design at the date of printing. Peterson Industries reserves the right to make changes in the design and material specifications without notice. Some features shown in this brochure are optional and may only be available in selected floorplans. Photographs use props and decorations that are not standard equipment.

Excel offers dozens of first class options to fully customize your fifth wheel!

Pull your Excel Limited in style with coordinating pickup graphics.

The central vac with powerhead makes cleaning a breeze!

Slide-out storage tray keeps your belongings within reach.

Camper jacket adds style and protection, and yet still allows you to access the base-ment door.

The boat hitch doubles as a receiver hitch for a bicycle rack.

The Reel-EZ water hose makes extending and retracting your hose a breeze.

The Glide Ride Pin Box absorbs bumps and jolts through a gravity, self-centering parallel linkage system.

Pivot-EZ sewer hose compartment ensures you'll never have to disconnect your hose from the RV.

The new TracVision gives you satellite TV and internet access without pop-up antennas.

Electric stabilizer jacks make set-up a breeze and saves your back and shoulders.

The quad door refrigerator features 12 cubic feet of space.

Slideout propane compartments on each side of coach keep tanks secure, and make the controls easy to read and reach.

The Electric Awning is just as sophisticated as the rest of your RV – operate it from inside, key fob remote control, or let the wind sensor automatically retract it!

Smooth out the road with this independent **Air Ride** suspension system, which puts each tire on its own active cushion of air –filling and releasing as needed.

The **Mor/ryde** (rubber independent sus-pension) system replaces the standard leaf spring suspension to provide smoother towing and better protects your RV from road shock.

Excel

WARRANTY

We promise your Excel fifth wheel will be free from defects in materials or faulty workmanship for a full two years after its original purchase.*

Excel guarantees that your holding tanks, water tank, interior water lines and other essential plumbing won't freeze – all the way down to zero degrees!*

* See your dealer for complete explanation of product warranties. The Zero Degree Guarantee is in effect on all 2004 and later models with optional Thermopane windows installed. Furnace must be in operation for guarantee to be in effect.

The gold standard in construction and materials.

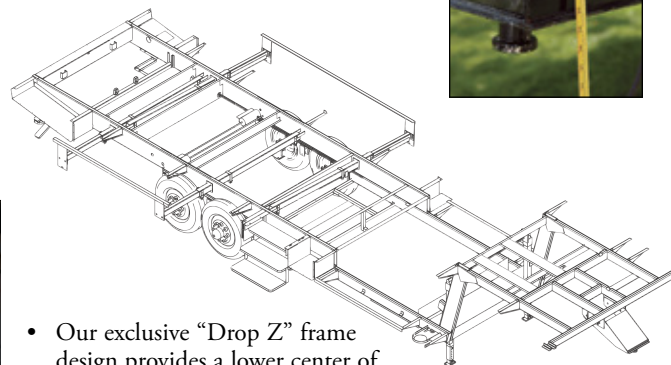

- Wood frame construction is especially beneficial to full-timers because of its strength, durability, and comfort.
- Full 5/8" plywood floors are sturdy, quiet, and give your home a solid base.
- Heated basement area protects under-floor systems and stored items from weather extremes.
- Exclusive "Walk-Anywhere" two-piece fiberglass roof (Excel Limited) is not only easy to maintain, but provides an exceptional barrier against the elements.

- Gel-coated fiberglass exterior gives your Excel a beautiful, easy-to-clean, durable outer skin that is virtually impervious to the elements.
- R10 sidewall insulation and R17 floor and roof insulation help keep the coach cozy in winter and cool in summer, while also saving on heating and cooling costs.
- 2" x 4" tapered roof design provides outstanding run-off – shedding rain and snow more effectively and completely than flat roofs.

- Standard pin height is 43½" on the Classic and Limited models, and 42" on the RT models.

- Our exclusive "Drop Z" frame design provides a lower center of gravity for easy towing stability and more useful basement storage. We use a box tube frame for unbeatable strength and durability.
