

Excel

A TRANSFORMATION

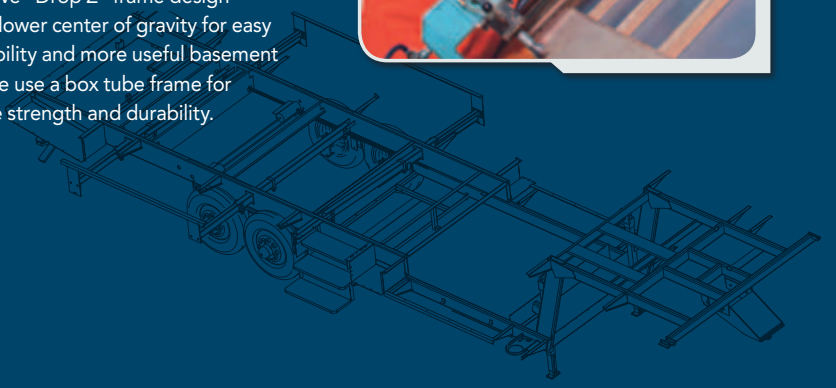

FOR THIS GENERATION

2011 FIFTH WHEELS & TRAVEL TRAILERS

OUTSTANDING CONSTRUCTION SETS US APART

- Wood frame construction is especially beneficial to full-timers because of its strength, durability, and comfort.
- Full 5/8" plywood floors are sturdy, quiet, and give your home a solid base.
- Heated basement area protects under-floor systems and stored items from weather extremes.
- Exclusive "Walk-Anywhere" one-piece seamless rubber roof (Winslow) and molded gel-coated fiberglass roof (Limited) are not only easy to maintain, but provide an exceptional barrier against the elements.
- Gel-coated fiberglass exterior gives your Excel a beautiful, easy-to-clean, durable outer skin that is virtually impervious to the elements.
- 2" x 4" tapered roof design provides outstanding run-off – shedding rain and snow more effectively and completely than flat roofs.
- R10 sidewall insulation and R17 floor and roof insulation help keep the coach cozy in winter and cool in summer, while also saving on heating and cooling costs.
- Standard pin height is 43½."
- Our exclusive "Drop Z" frame design provides a lower center of gravity for easy towing stability and more useful basement storage. We use a box tube frame for unbeatable strength and durability.

Peterson Industries is proud to use these suppliers who share our commitment to quality and service:

Cummins Onan

Hehr International, Inc.

VIZIO

Panasonic

Arlwin Mfg.

Herbergers generously provided many of the decorator items featured in the photos of this brochure.

A TRANSFORMATION FOR THIS GENERATION

EXCEL

RVing embodies a spirit of fun, adventure, and the freedom to explore. Today's travelers expect their RVs to deliver more than ever before, and rightly so. Time is at a premium, so transportation and setup must be efficient and hassle free, without sacrificing the amenities and comfort of a relaxing home away from home.

The 2011 Winslow, Limited, and Wild Cargo lines exemplify everything that is new and exciting about the finest 5th wheels in the nation. Every inch has been thoughtfully designed to synch perfectly with the way you live and travel. We've even added a Winslow Travel Trailer to the lineup! The result is a magnificent blend of sophisticated design and hardworking American ingenuity.

The changes are anything but subtle. This year's models feature striking partial-body paint on Winslow and full-body paint on Limited, modern and stylish interiors, with standard and optional features that welcome you with comfort and easy-living convenience.

Peterson Industries, Inc. has been building top-quality RVs in Smith Center, Kansas since 1966. Our employees take pride in an uncompromising work ethic that produces RVs you will be proud to own, and will serve you well for decades to come.

So turn the pages and imagine yourself enjoying any of our outstanding models. Better yet, check them out in person.

**THE PERFECT EXCEL
IS WAITING FOR YOU.**

by Excel

A W H O L E N E W E X P E R I E N C E

WINSLOW

Adventure is just down the road and around the bend. Regardless of where you're headed, the brand new Winslow sets you up in comfort and style.

Available in 28', 31', and 34' models, the Winslow is both luxurious and affordable. The bold exterior profile and graphics package make a grand statement. Its warm, friendly interior invites you to kick back and relax, with solid hickory cabinetry, and halogen lighting throughout.

The living is easy with standard features like a 32" LCD-HD TV, and redesigned exterior utility center that allows easy access to the water system, water filter, vacuum bag, battery disconnect and more. Every Winslow is

covered by our exclusive Minus Ten Degree Guarantee, providing peace of mind that your tanks, water lines, and other essential plumbing fixtures won't freeze when the temperature drops.*

Each floorplan offers unique features, including our exclusive interior wall refrigerator location on the D31RLE, hardworking Dual Computer Desk/Dining Table that maximizes living space, optional washer/dryer and more!

The brand new 2011 Winslow Travel Trailer suits the traveler who prefers fewer steps to negotiate, and will set a new industry standard for comfort, convenience, and exterior storage in a travel trailer.

* See your dealer for complete explanation of product warranties. The Minus Ten Degree Guarantee is in effect on all 2008 and later models with optional Thermopane windows installed. Furnace must be in operation for guarantee to be in effect.

A WHOLE NEW EXPERIENCE

WINSLOW

Regardless of where you're headed or how long you plan to stay, the 2011 Winslow sets you up in comfort and style.

The 2011 Winslow optimizes every inch of space in an affordable and luxurious package. Each floorplan has unique standard and optional features, like easy to access overhead cabinets, under-bed storage, pull out spice racks and food pantries, storage in the grandfather clock, and more.

Beautiful furnishings, hickory woodwork and halogen lighting throughout set a warm and welcoming tone. The sofa is available in solid or two-tone designs, and customized Lambrican valances with duplex shades lend a sleek and stylish complement. From design to delivery, your family's comfort is our inspiration.

The handy exterior utility center allows easy access to the water system and filter, vacuum bag, batteries and more.

Maximized storage is part of every floorplan, including this under-seat compartment on all the dining chairs.

Optional body paint.

Concept photo.

WINSLOW TT

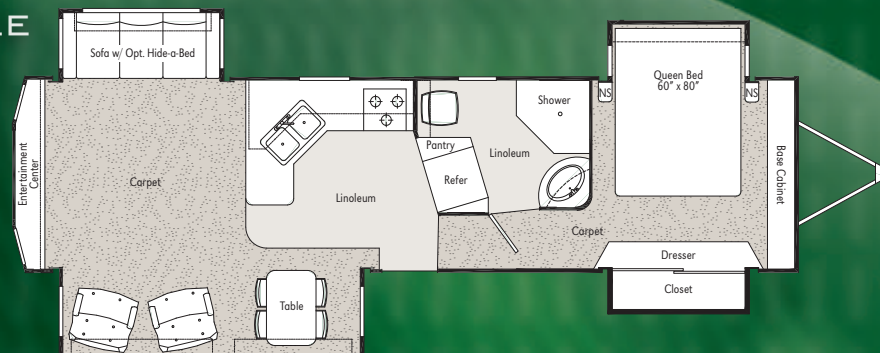

Innovation sets Peterson Industries apart as the leader in our industry. As we re-enter the travel trailer market, you can expect cutting-edge design and spectacular features to be par for the course.

When our concept and design team first considered the viability of a luxury travel trailer, we examined why more full-timers and serious RVers don't choose travel trailers. Storage was an obvious issue, so we set out to solve the problem.

Peterson Industries invented the groundbreaking "Drop-Z" fifth wheel frame, and that same design is every bit as effective in our new Winslow Travel Trailer. Our exclusive 17-inch high storage compartment beneath the entire front third of our trailer provides more than 100 cubic feet of basement storage space!

This exciting approach also enables us to offer the first ever "on-board" generator in a travel trailer, and a dedicated compartment large enough to accommodate dual batteries.

DT33RLE

We ensure that every square inch of our coaches are designed to maximize storage. You'll find large pantries, deep drawers and innovative spaces that keep you organized.

The 31SKM floorplan makes double use of the dining table. Fold it down and it becomes a desk flanked by drawers and cabinets.

A molded one-piece sink with rubbed bronze faucet lends beauty and easy-clean convenience.

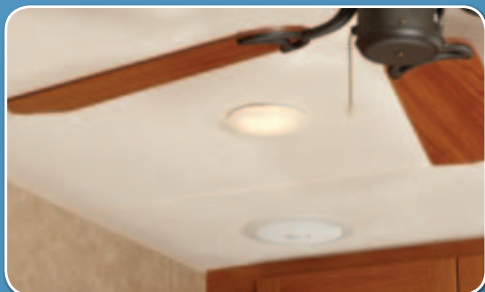

WINSLOW

We make the nation's best RVs because we listen to what our customers want. Your desire for quality, convenience and affordability drives everything we do. Value and price are instrumental in making smart purchases, so we concentrate on building affordable RVs without compromising comfort and convenience. The end result is a great looking RV that is durable, reliable, and a pleasure to own.

Excel's Drop-Z frame is the backbone of every model, offering the key structural support that delivers stability, durability, and towing ease. Its innovative design provides a lower center of gravity, and allows maximum storage in the basement compartment.

Residential-style dresser with deep drawers.

Halogen lighting adds a modern look, and lends a warm, inviting feel throughout the unit. Enjoy surround sound from the flush mount speakers.

Wood-framed cabinet drawers feature ball bearing drawer glides. It's the attention to detail that sets Excel apart.

Watch a movie on your optional 26" LCD-HD TV in the bedroom before turning in for the night.

THE HIGHEST LEVEL OF LUXURY

LIMITED

The RV industry has witnessed a dramatic transformation from the days when travel was dictated by train schedules, and paved roads gave early tourists a taste of freedom to explore at their leisure. The RV opened a world of possibilities for couples, families, entrepreneurs, and anyone with a yearning to see what's over the hill or around the bend.

At Peterson Industries, we've approached everything about the way we do business, from design to finished product, with fresh perspective. The

result was a transformation of our 2011 line. That is especially true with our 15 Limited floorplans. Not only do these models feature five-star hotel quality amenities and options, but they also offer efficiency and convenience like never before. The Limited is the epitome of American ingenuity, and is built to serve you faithfully and luxuriously for years to come.

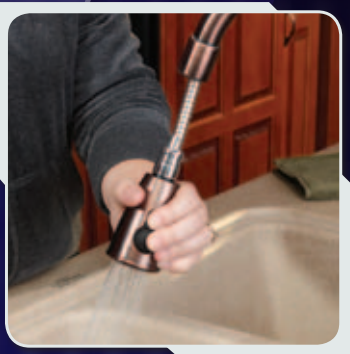

Optional body paint.

THE HIGHEST LEVEL OF LUXURY

LIMITED

The Limited incorporates all of our most advanced features into a premium-quality, luxurious RV dream home on wheels. Features that would be optional on other brands (or not available at all) are standard in the Limited, like a china toilet, LED taillights and so much more. The Limited even has a pillowtop mattress with box springs to make your dreams especially pleasant.

The pull-out spray faucet offers both convenience and style.

The Excel is the highest level of luxury, with solid wood cabinetry, a choice of carpeting, 42" HD LCD television, and recessed halogen lighting. Fifteen wide-open floorplans feature abundant amenities including king bedroom suites, hickory or Brazilian cherry-stained maple interior with crown molding. The new-generation hydraulic slideouts and jacks provide ultra-smooth operation for the ultimate in ease and convenience. And our optional Hydralift motorcycle carrier, available on models up to 33', allows you to take your motorcycle everywhere you go.

The 42" LCD wall mounted television extends and tilts to provide a great view from every seat with this optional swing arm mount.

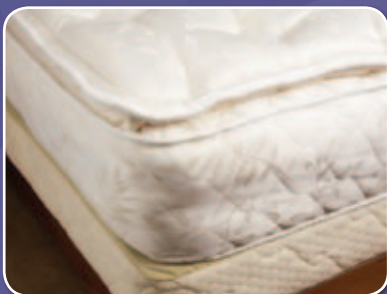

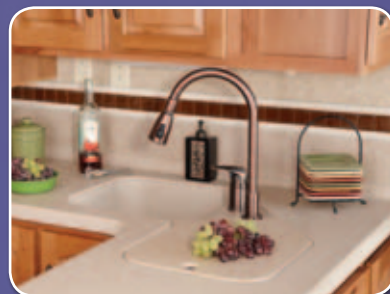

The spacious and welcoming kitchen features ample storage options such as a pullout pantry, appliance garage, and wine rack. And, if you're a Food Network junkie, the 19" LCD-HD television features optional satellite programming from DISH Network or DIRECT TV.

A convenient and functional office nook comes pre-wired for your computer and features overhead storage to keep things organized.

The Limited was the first in the industry to offer a pillowtop mattress and box spring.

The molded dual sink and ample counter space make meal preparation a breeze.

Sofas are available in 12 different fabric combinations and feature an optional hide-a-bed with incline setting.

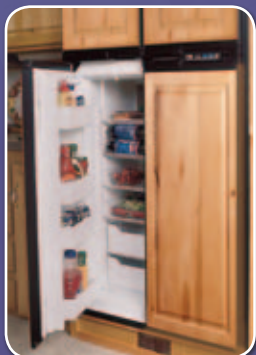

Our optional EZ-up coffee table can be extended and used as a writing desk or an additional place setting.

LIMITED

Regardless of where you're going or how long you intend to stay, the Limited welcomes you with class, style and luxury.

Cooks of every caliber will be impressed with the breadth of storage options available in the efficient, smartly organized kitchen. Forget your cares, and relax in total comfort in the beautiful living area. Dream of your next adventure in the master suite that offers a pillowtop mattress and box spring, cedar closet, and optional washer/dryer. Greet the new day in the enclosed bathroom with oil rubbed bronze fixtures, vessel bowl lavatory, china toilet, and spacious enclosed shower.

The optional quad door refrigerator features 12 cubic feet of space.

Tile and wood laminate flooring options are easy to maintain, feel great underfoot, and beautiful to behold.

The cedar closet in the master suite protects clothing and valuables in all climates and humidity levels.

The digital SeeLevel monitor lets you check water levels quickly and easily.

A C T I O N O N T H E G O

WILD CARGO

The Wild Cargo is all about fun, packing a load of excitement for the family on and off the road! Designed to carry and store your motorcycles, snowmobile, 4-wheeler, golf cart, off-road toys and more, the Wild Cargo provides ample storage and an abundance of family-friendly features. Three available floorplans include commercial grade rubberized flooring for quick and easy cleanup. Options like a built-in generator and 30-gallon fuel cell ensure worry-free camping in remote areas.

The W41RLE features a relaxing living room area with twin recliners and a true homelike atmosphere, unlike other SURVs that make you always feel like you're racing. Relax in style in the plush master suite, featuring a queen-sized bed and enclosed bath. Other amenities include a 32" HD-LCD television, electric lift beds in the cargo area and optional washer/dryer. Excel's Wild Cargo is an essential part of your fun-loving lifestyle.

An easy-open aluminum framed ramp door keeps everything safe and accessible.

An optional pull-down patio screen keeps the bugs out.

WILD CARGO FLOORPLANS

Additional sleeping quarters are made possible by the electric lift beds in the cargo area. Beds can be retracted to the ceiling when not in use. The bottom bunk can be converted into a sofa as well.

The wrap-around sofa, sliding glass door and dual computer desk/dining table are popular features of the 39SKM.

VALANCES

Window valances with duplex shades can be customized to showcase a fabric or leather-look. You will need to specify your preference when ordering.

RV ENHANCING AMENITIES AND OPTIONS

- A.** The central vac with powerhead and VacPan makes cleaning a breeze!
- B.** Enhance your digital entertainment experience with an automatic satellite system for DISH Network or DIRECT TV.
- C.** Rubberized basement floors are standard in Limited while Winslow and Wild Cargo basement floors are Ozite.
- D.** The keyless locking system offers effortless programming and a secure, convenient way to safeguard your RV.
- E.** Slideout propane compartments on each side of the Limited keep tanks secure, and make the controls easy to read and reach.
- F.** Camper jacket adds style and protection, and yet still allows you to access the basement door.
- G.** Pivot-EZ sewer hose compartment ensures you'll never have to disconnect your hose from the RV.

- H.** The Glide Ride Pin Box absorbs bumps and jolts through a gravity, self-centering parallel linkage system.
- I.** The boat hitch doubles as a receiver hitch for a bicycle rack.
- J.** Electric stabilizer jacks make set-up a breeze and saves your back and shoulders.
- K.** Our independent hydraulic leveling system makes leveling your fifth wheel easier and smoother than ever.
- L.** Motorhome style fully automatic leveling system. Just push the "Automatic Level" button and watch it work!
- M.** The optional sophisticated "WeatherPro" awning on the Limited operates via a key fob remote control with a sensor that automatically retracts it when the wind kicks up. The A&E Power Awning (with remote control only) is available as an option on the Winslow.

- N.** We also offer disc brakes without the MorRyde suspension.
Due to frequent changes by tow vehicle manufacturers, Peterson Industries and Dexter Axle cannot guarantee the compatibility of integrated brake control systems with our disc brake option. To check compatibility, contact Dexter Axle at 574-295-7888.
- O.** The Reel-EZ water hose makes extending and storing your hose a breeze.
- P.** Our multi-function utility center provides easy access to shut off individual faucets, change water filters, replace vacuum bags, disconnect the battery and more.
- Q.** Haul your motorcycle anywhere with our frame-mounted Hydalift™. Available on models 34' and shorter.
- R.** Our uni-body hydraulic valve system for slide rooms and jacks include individual functionality and a manual override.

2011 OPTIONS AND STANDARD FEATURES

Each Excel model is geared to meet the expectations, needs and budgets of different RV buyers. It's not a matter of one line being "better" than another, but more a question of which line best meets your lifestyle. The chart below compares the standard and optional features of our three lines. Rest assured, however, that whether you pull a Winslow, Limited or Wild Cargo, your fifth wheel comes with one standard feature no other manufacturer can offer — the legendary value of Excel!

UNBEATABLE WARRANTIES

With Excel's Minus Ten Degree Guarantee, you can be sure your holding tanks, water tank, interior water lines and other essential plumbing won't freeze – all the way down to minus ten degrees!*

* See your dealer for complete explanation of product warranties. The Minus Ten Degree Guarantee is in effect on all 2008 and later models with optional Thermopane windows installed. Furnace must be in operation for guarantee to be in effect.

**2
YEAR
LIMITED
WARRANTY**

Excel's 2-Year Limited Warranty is your guarantee that, in the unlikely event something goes wrong with your Excel fifth wheel, we'll fix it. It's that simple. We have so much confidence in our quality workmanship and attention to detail that we'll stand behind our products in every way for a full two years after its original purchase.

VISIT US ONLINE!

EXCELRVS.COM

Visit our award winning website for in-depth information on our entire line of Excel RVs including exterior views and floorplans with complete specs. You'll find colorful and descriptive photos of standard and optional features, too. Newsletter and event information keep you up-to-date on factory news, maintenance tips and opportunities to meet and travel with fellow Excel owners. There is even a parts and accessories store with everything you need to keep your Excel in peak working condition.
